ASMS XMAS Party is Saturday!

It's that time again. Time for ASMS' Annual XMAS Party! It's coming up this Saturday, December 6, and we're back at Milton and Martha Bell's, 7509 St. Phillip. The party starts about 6 p.m. There's a map posted above and a phone number in case you get lost. Actually, it's very easy to find. Remember, this is a family affair, so please include the wife and kids.

As usual, ASMS will furnish a couple of meat and cheese trays and all the paper/plastic plates and plastic flat ware you'll need.

What to bring? Bring a light snack—finger food—if you like and whatever you want to drink. Don't forget that we will do another "White Elephant" gift exchange.

What's a White Elephant? It's some kit you have in your collection—you DO have a collection of unbuilt kits don't you?—that you know deep down that you will never build. So, wrap it up as

a "gift" and bring it for the exchange. Last year's exchange was a lot of fun.

Remember, the gifts we get at the exchange will be the subjects for the club's first Quarterly Contest in April.

So, here's the drill.

- Party is Saturday, Dec. 6
- It's at 7509 St. Phillip
- It begins about 6 p.m.
- Bring whatever finger-food snack you want.
- Bring whatever you want to drink.
- Bring a gift for the White Elephant Gift Exchange.
- The Club will furnish snack trays, plates, cups, ice, flat-ware.

There will be no regular meeting this month nor a standard newsletter. We get back to business as usual on Tuesday, January 20. There will be a regular newsletter published just before the meeting. See y'all Saturday evening!
